

## Chemical Hygiene Plan – Signature Confirmation

**[Attention: To view this form correctly, it is best accessed through Internet Explorer or save as pdf and open with Adobe.]**

The [Chemical Hygiene Plan](#) serves as the guide toward appropriate conduct and work practices to be used in laboratories at the University of Connecticut. It is designed to assure that all lab personnel understand their shared responsibility in maintaining a safe working environment and keeping the University in compliance with applicable laws, regulations, and policies regarding lab safety.

**Please complete your contact information below, check the box verifying acknowledgment, then press SUBMIT to email the form to Environmental Health and Safety.**
